July 17, 2015

Dear Parents,

The Town of Gilbert Parks and Recreation Department would like to welcome you and your child back to school! This is an exciting time in every child's life preparing for that next step of continued education. We know that this is a time for you, the parents, to find a safe, enriching place for your child to go to during the after school hours. We understand that some of your children are not quite ready to stay at home by themselves just yet and we'd like to provide a few recreational opportunities to help alleviate this concern for your child's safety. Below you will find some general information about our programming options to help you prepare for your family's needs during the 2015-16 school year.

The McQueen Park Activity Center's facility policy states that children ages 12 and older may attend the McQueen Park Activity Center unattended. Children under the age of 12 not participating in a program, event or class must be accompanied and supervised by a nonparticipating adult over the age of 18 at all times. Children under 12 who do not have adult supervision and would like to attend the center can register in one of our Town of Gilbert recreational programs. We have many classes to choose from including sports, dance, gymnastics, arts & crafts, cooking, etc. For more information about these and many more class opportunities, go to gilbertaz.gov/recguide or GilbertRecreation.com.

For those looking for a longer program commitment, you may be interested in our safe and secure recreational program called the **FUN ZONE**. Trained recreation staff is on-site to promote a healthy, positive recreation environment to ensure the safety and enjoyment of our participants! Kids will enjoy sports, classroom activities, games and arts & crafts. Snack time will help boost their energy levels before winding down with homework time. This program is designed for school aged children 7-12 years old and is available between 3:45-6pm following Gilbert Public School (GPS) regularly scheduled school days and 12:45/2:45-6pm on Early Release days. **Registration accompanied with a Fun Zone Packet is required prior to participation and can be found at www.gilbertaz.gov/funzone.**

Snacks and drinks are to be sent with your child for this program. Vending machines are available at the center (please bring small bills or coins). Program pricing, waivers and further information pertaining to this program are available for pick-up at the McQueen Park Activity Center.

If you have any questions regarding this program, please contact the center at 480-503-6294. We hope this will be a fun and exciting new school year for you and your family!

Sincerely,

McQueen Park Activity Center Staff
